

## Good Morning America and USA Today Talk SureSmile

Good Morning America and USA Today both recently featured news items about SureSmile Robotically Assisted Orthodontics. SureSmile combines traditional braces with a doctor-prescribed, robotically-bent, custom wire to achieve superior results in 40% less time. Tyler | Dumas | Reyes is one of only three offices in Michigan, and approximately 200 in the United States now using this advanced technique. SureSmile's industry leading results are gaining national attention!
