### Local orthodontist speaks in Australia

Dr. Scott Tyler of Birmingham and Rochester Hills-based orthodontic practice Tyler Dumas Reyes was one of two U.S. orthodontist selected to speak at SureSmile conferences held in Brisband, Melbourne and Sydney, Australia.

SureSmile is a system that uses robotics to increase precision and decrease the length of treatment time and discomfort compared to traditional braces.

The practice is one of five offices in Michigan offering the digital technology and is the leading provider out of 262 orthodontic practices nationally.
